Dear Martin,

**Re: Testimonial – Princes Mead Shopping Centre**

I would like to take this opportunity to say thank you for your services over the years. We have been working with Bonus Eventus for over five years. You have proved to be exceptional in all elements of fabric and M&E maintenance, you have proved to be prompt, flexible and efficient. Your costs are reasonable, and nothing is too much trouble. We look forward to working with you in the future.

Yours sincerely

Duncan Coombes  
Centre Manager
